

Woodside School Mission

To be reviewed by Governing
board November 2018

For all Woodside pupils to be excellently prepared for the next stage of their development by:

Raising the achievement of all children and young people to develop their communication skills so that through life they

- **are heard,**
- **are informed,**
- **can make meaningful choices.**

Enabling all Woodside children and young people to develop greater independence, (and autonomy), and strong social connections through

- **the awareness and management of self,**
- **their awareness and relationships with others.**

To ensure that all children and young people are equipped with the skills, knowledge and understanding to keep themselves safe in reality and with developing technology.

To provide a rich, vibrant, person-centred curriculum which is tailored to individual need, ability and wellbeing, and which encompasses both academic and holistic aspirations.

To develop strong, professional expertise, characterised by collaboration, in order to meet the needs of all Woodside pupils throughout their journey towards adulthood.
